

Patrick Voller

Vice President of Business Development

Patrick Voller is Vice President of Business Development at SupplyCore Inc. Mr. Voller is responsible for client and supplier relations and leading teams in the business development processes; including opportunity identification, capture management, proposal development, and contract execution.

Mr. Voller has more than 25 years of experience in Supply Chain in both program management and operations support, combined with a broad business development background. He has spent the last several years focused on the defense and government markets working in business development and program implementation for Agility and New Breed Logistics. Previously, Pat completed an Army career as a logistics officer with assignments at the tactical, operational, and strategic levels. He served with 3rd Infantry Division, 9th Infantry Division, 1st and 3rd Corps Support Commands, Human Resources Command, and the Defense Logistics Agency with assignments in the United States, Iraq, Afghanistan, Saudi Arabia, and Europe.

He has a Master of Science in Logistics from Florida Institute of Technology and a Bachelor of Science in Business Administration from the University of Minnesota. He also graduated from the Army's Command and General Staff College and the Army Logistics Executive Development Course.
